Is this your first time here?

Hi!

For full access to courses you'll need to create yourself an account.

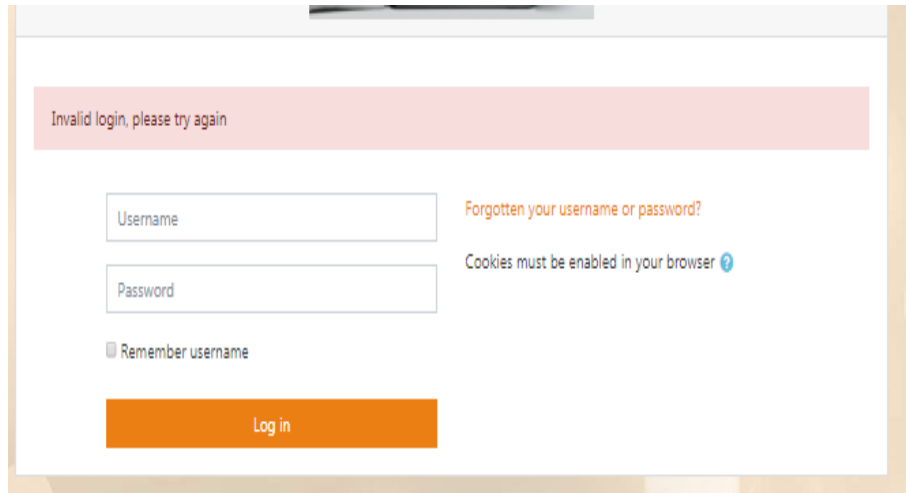

All you need to do is make up a username and password and use it in the form on this page!

If someone else has already chosen your username then you'll have to try again using a different username.

Select course : Mobile Smartphone Technology

The screenshot shows a web browser window with multiple tabs. The active tab is 'My new Moodle site'. The address bar shows the URL: <https://ajitqasystem.moodlecloud.com/course/index.php>. The page header includes 'My new Moodle site', 'ENGLISH (EN)', and user information for 'Ajitkumar Pundge'. The left sidebar contains navigation links: Home, Dashboard, Calendar, Private files, My courses, Introduction to Moodle, Site administration, and Add a block. The main content area displays a search bar with the text 'Mobile Smartphone Technology' and a 'Go' button. Below the search bar, there is a video player showing a presentation slide titled 'FDP 201 OER Activity Smartphones and Mobile Phone Technology'. The video player has a 'Portals' button on the right. Below the video player, there is a section titled 'Artificial Intelligence: Knowledge Representation and Learning' and another section titled 'Introduction to Moodle'. The 'Introduction to Moodle' section includes the text: 'Teacher: Ajitkumar Pundge' and 'This tiny course can help you get started if you are new to Moodle. It's been hidden so that only you, as the site administrator, can see it.'

Answer the Following Question

The screenshot shows a web browser window displaying a Moodle course page. The browser's address bar shows the URL <https://ajitqasystem.moodlecloud.com/course/view.php?id=4>. The Moodle interface includes a top navigation bar with the site name 'My new Moodle site', language 'ENGLISH (EN)', and user information for 'Ajitkumar Pundge'. A left sidebar contains a menu with items like 'Mobile', 'Participants', 'Badges', 'Competencies', 'Grades', 'General', 'Smartphone and Mobile Phone Technology(OER)', 'Topic 2', 'Topic 3', 'Topic 4', and 'Home'. The main content area is titled 'Smartphone and Mobile Phone Technology(OER)' and features a video player. The video player shows a presentation slide titled 'FDP 201 OER Activity Smartphones and Mobile Phone Technology' and a small video feed of a person. Below the video, there is a list of four questions with blue question mark icons and edit links. The questions are: 'The first official mobile phone used on.....', 'era of 2nd generation:mobile phones', 'The first official mobile phone used in.....', and 'which first smartmobile phone is developend IBM in 1993'. The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 5:40 PM on 12/19/2018.
